

# USING WINDOWS

## Using the Start Menu

### NAVIGATION

- › [Start](#)
- › [All Programs](#)

### SCREEN

### NOTES

**Start Menu.** Windows' [Start](#) button is located in the bottom left-hand corner of your computer screen. Click the left mouse button once on the button to access the menu.

**All Programs Menu.** The [All Programs](#) option is located on the [Start](#) menu. Click the left mouse button once on the [All Programs](#) option to access the [Programs](#) menu.

### STEPS

1. Select the [Start](#) menu.
2. Select the [Programs](#) menu.  
**Windows displays the Programs menu.**
